

## SUNSHADOW

# Overstocked Sale!!

Dear Business Partner,

As of Wednesday 23/8/17, we will be reducing prices by placing the following colours from the Sunshadow Fabric range into Group One.

- Sunshadow Charcoal/Bronze N902
- Sunshadow Charcoal/Bronze RR89
- Sunshadow Charcoal/Sable RR72
- Sunshadow Bronze/Grey RR84
- Sunshadow Bronze/Mustard RR82
- Sunshadow Beige/Bronze RR28
- Sunshadow Linen/Pearl RR23
- Sunshadow White/Apricot RR11
- Sunshadow White/Linen RR12
- Sunshadow Ivory N091

This will ensure you our customers, have the best quality and priced range of screen fabric being offered in our industry.

### Net Series

Net Series is a 2x2 basket weave SunShadow® sunscreen fabric. With a 5% openness factor, this fire retardant screen provides UV protection without compromising view-through.

### RR Series

RR Series, a 2x1 basket weave SunShadow® sunscreen fabric. Due to its finer basket weave, this two-toned fabric has a more subtle look compared to the SunShadow® Net Series fabric, while the 3% openness factor provides excellent UV protection.

**This special offer will be available while stocks last.**
